INDEX: VOLUME 97

Acari, 52, 121, 163

Acrididae, 175

Acroceridae, 121

Acyrthosiphon pisum, aphid biting man, 225

A.E.S meeting reports, 55, 65, 98, 190, 246

Agathymus estelleae, variation in egg color, 71

Ailanthus silk moth in Phila., history of, 41

Aleochara of Amer. n. of Mex., rev. of genus, suppl. 3, new distrib. data, 119

Aleochara verberans, lectotype desig. & redescrip., 115

Allred, M.L., B.P. Stark, D.L. Lentz, 169
Egg capsule morphology of *A. buprestoides*

Anisomorpha buprestoides egg capsule morphology, 169

Announcements, 188, 197, 207, 247

Antillocladius pluspilalus & *A. arcuatus* in eastern Kansas, 66

Aphididae, 225

Apidae, 73, 156

Apis mellifera, unusual prey for paper wasp, *Polistes major castaneicolor,* 73

Appel, A.G., 61
Smoky-brown cockroaches displaced from harborages by red imported fire ants

Barypeithes pellucidus weevil feeds on red oak seedlings, 113

Baumgartner, D.L., 208
Distrib. & bionomics of dung fly, *Scathophaga tropicalis* in Peru

Berytidae, 63

Blastobasidae, 109

Blattidae, 61

Bloodgood, D.W., 57

Bohart, G.E., 147

Book reviews, 75, 241, 244, 245

Books rec'd & briefly noted, 20, 68, 72, 146, 162, 182, 200, 224, 240

Brown, M.F., 163

Callan, E.M.C., 69
Nesting biology of *Ectemnius basiflavus* in Trinidad

Calosoma sayi, rate of food passage & fecal production, 21

Carabidae, 21

Cassida relicta, tortoise beetle endemic to No. Amer., with key to Nearctic sp. *Cassida,* 141

Ceratosmicro meteori & *C. paya* in No. Amer., 99

Cervenka, V.J., 119

Chalcididae, 99

Chironomidae, 1, 66

Chrsomelidae, 11, 41

Cicadellidae, 81

Cicindela nigrocoerulea subtropica, 203

Clark, W.H., R.E. Gregg, 237
Housing arthropods & other invertebrates stored in alcohol

Climaciella brunnea in coastal marsh habitat, 7

Cloutier, L., P.P. Harper, 1
New sp. *Rheotanytarsus* from subarctic Quebec

Coleoptera, 11, 21, 77, 113, 115, 119, 141, 198, 203, 215, 227

Collembola, 201

Copromyzinae species described by Costa & Rondani, lectotype designations for, 33

Cremastogaster nest & orchid bee nest in cacao pod, 156

Culik, M., L. Deharveng, 201
First records of marine intertidal collembolan *Xenylla affiniformis* for No. Amer.

Culliney, T.W., J.R. Ruberson, 225
Acrythosiphon pisum, an aphid biting man

Curculio striatulus, a No. Amer. *Pissodes,* 198

Curculionidae, 113, 198

Deharveng, L., 201

Dendroctonus frontalis, preyed on by spiders, 227

Diabrotica cristata, host relationships of, 11

Dictyoptera, 61

Dineutus assimilis, contact behavior of, 215

Diptera, 1, 28, 33, 66, 104, 121, 208

Doudrick, R.L., W.R. Enns, M.F. Brown, DF. Millikan, 163
Characteristics & role of mite *P. fruitiphilus* in etiology of rose rosette

Ectemnius basiflavus, nesting biology of in Trinidad, 69

Elmidae, 77

Enns, W.R., 163

Ephemeroptera, 57, 193, 230

Eriophyidae, 163

Euglossa sp. nest & ant nest in cacao pod, 156

Eurosta solidaginis, soil effects in goldenrod galls formed by, 28

Ferrington, L.C., Jr., L.P. Ruse, 66
Antillocladius pluspilalus & A. arcuatus in eastern Kansas

Flowers, R.W., 193
Holarctic distrib. of three taxa of Heptageniidae

Formicidae, 61, 156

Frank, K.D., 41
History of Ailantus silk moth in Phila.

Freilich, J.E., 215
Contact behavior of whirligig beetle, *Dineutus assimilis*

Freytag, P.H., 81
Add's. & corrections to genera *Unerus* & Mattogrossus

Gage, E.V., W.D. Sumin, III, 203
. *Cicindela nigrooerulea subtropica* in Texas

Galford, J.R.
Infestation of sprouting oak acorns by *Valentinia glandulella,* 109

Weevil *Barypeithes pellicidus* feeds on red oak seedlings, 113

Genier, F., 115

Gilbert, G.S., F.E. Kurczewski, 28
Soil nutrient effects on goldenrod galls formed by *Eurosta solidaginis*

Goddard J., 52
Seasonal activity & relative abundance of black legged ticks in Miss.

Gregg, R.E., 237

Gynandromorphism & differential molting in a mayfly, 57

Gyrinidae, 215

Haemodiasma tesselata, obs. on biology of, 222

Halstead, J.A.
Distrib. of *Ceratosmicra meteori & C. paya* in No. Amer., 99

Distrib. & seasonality of *Megischus* spp. in Calif., 101

Hamm, J.J., 21

Hargrove, W.W., 36
Annotated species list of insect herbivores assoc'd. with black locust

Harper, P.P., 1

Harris, S.C., 177, 230

Hayes, M.P., D.C.F. Rentz, 222
Obs. on biology of Neotropical katydid *Haemodiasma tesselata*

Hemiptera, 87

Heptogeniidae, 193

Heteroptera, 63

Homoptera, 81, 225

Housing arthropods & other invertebrates stored in alcohol, 237

Hymenoptera, 61, 69, 73, 99, 101, 147, 156

Hypogastruridae, 201

I.C.Z.N. announcements, 76, 79, 80, 192, 247

Ixodes scapularis in Miss., 52

Jalysus spinosus, new host assoc. for, 63

Javahery, . 87
Biol. & ecol. of *Picromerus bidens* in so. east Canada

Jennings, D.T., H.A. Pase, III, 227
Spiders preying on *Dendroctonus frontalis*

Kevan, D.K.McE., 124

Kim, K.C., 33

Klimaszewski, J., V.J. Cervenka, 119
Rev. genus *Aleochara* of Amer. no. of Mexico. Suppl. 3. New distrib. data

Klimaszewski, J., F. Genier, 115
Lectotype desig. & redescrip. of *Aleochara verberans*

Klimaszewski, J. & D.K.McE. Kevan, 124
New lacewing fly from Canadian Cretaceous amber

Kondratieff, B.C., S.C. Harris, 230
Prelim. checklist mayflies of Alabama

Kondratieff, B.C., W.B. Painter, 17
Two new records of stoneflies from So. Carolina

Krysan, J.L., 11

Kurczewski, F.E., 28

Lacewing fly from Canadian Cretaceous amber, 124

Lachesilla corona group in eastern Mexico, 133

Lara, status of genus & homonymy of subfamily name Larinae, 77

LaSalle, M., 7
Mantispid *Climaciella brunnea* in coastal marsh habitat

Lentz, D.L., 169

Lepidoptera, 41, 71, 109, 183

Locust, black: annotated species list of insect herbivores assoc'd. with, 36

Mantispidae, 7

Mattogrossus, add's. & corrections to, 81

Mayflies of Alabama, prelim. checklist, 230

McCafferty, W.P., D.W. Bloodgood, 57
Gynandromorphism & differential molting in a mayfly

Megachilidae, 147

Megathymidae, 71

Megischus spp., distrib. & seasonality of in Calif., 101

Millikan, D.F., 163

Mockford, E.L., 133
Key to sp. of psocids of *Lachesilla* group in east. Mexico, & descrip's. of two n. sp.

Myles, T.G., 104
Oviposition & develop. of *Volucella isabellina* on saguaro cactus

Neuroptera, 7, 124

Noctuidae, 183

Norrbom, A.L., K.C. Kim, 33
Lectotype designations for Copromyzinae species described by Costa & Rondani

O'Brien, C.W., R.T. Thompson, 198
Curculio striatulus, a No. Amer. *Pissodes*

Orthoptera, 175, 186, 222

Osmia, n. sp. from so. west U.S., 147

Painter, W.B., 17

Pase, III, H.A., 227

Pentatomidae, 87

Periplaneta fuliginosa displaced from harborages by red imported fire ant, 61

Perlodidae, 17

Phasmatodea, 169

Phyllocoptes fruitiphilus, role of in etiology of rose rosette, 163

Picromerus bidens, biol. & ecol. of in so. east Canada, 87

Planipennia, 124

Plecoptera, 17, 177

Polistes major castaneicolor predation on *Apis mellifera,* 73

Pseudophasmatidae, 169

Psocoptera, 133

Pterodontia flavipes, 1st record of in two mites, 121

Reductions in pg. chgs. & subs. rates, 189

Rentz, D.C.F., 222

Rheotanytarsus, n. sp. from subarctic Quebec, 1

Riley, E.G., 141
Notes on *Cassida relicta,* tortoise beetle endemic to No. Amer., & key to Nearctic sp. *Cassida*

Robinia pseudoacacia, annotated species list of insect herbivores assoc'd with, 36

Ruberson, J.R., 225

Ruse, L.P., 66

Rust, R.W., G.E. Bohart, 147
N. sp. *Osmia* from so. west U.S.

Saturniidae, 41

Scathophaga tropicalis, distrib. & bionomics in Peru, 208

Schmidt, P.J. & J.O., 73
Apis mellifera, unusual prey for paper wasp, *Polistes major castaneicolor*

Schmieder bequest, 189

Scolytidae, 227

Scriber, J.M., 183
Food plant specialization by southern armyworm

Sferra, N.J., 121
1st record of *Pterodontia flavipes* larvae in two mites

Society meeting reports, 56, 65, 98, 190, 246

Solenopsis invicta displace smokybrown cockroaches from harborages, 61

Spangler, P.J., 77
Status of riffle beetle genus *Lara* & homonymy of subfamily name Larinae

Sphaeroceridae, 33

Sphecidae, 69

Spodoptera eridanea, food plant speicalization by, 183

Spooner, J.D., 186
Technique to examine stridulatory file of long winged katydids

Stallings, D.B. & V.N., 71
Variation in egg color in *Agathymus estelleae*

Staphylinidae, 115, 119

Stark, B.P., 169

Stark, B.P., S.C. Harris, 177
Records of stoneflies in Alabama

Stephanidae, 101

Stoneflies, two new records from So. Carolina, 17

Sumlin, W.D., III, 203

Syrphidae, 104

Taeniopoda reticulata, carcass scavenger in Costa Rica, 175

Tephritidae, 28

Tettigoniidae, 186, 222

Thompson, R.T., 198

Ticks, black-legged in Miss., 52

Unerus, add's & corrections to, 81

Valentina glandulella, infestation in sprouting red acorns

Volucella isabellina, oviposition & develop. of on saguaro cactus, 104

Wheeler, A.G., Jr., 63
New host association for stilt bug, *Jalysus spinosus*

Xenylla affiniformis, 1st records for No. Amer., 201

Yaro, N., J.L. Krysan, 11
Host relationships of *Diabrotica cristata*

Young, A.M.
Orchid bee, *Euglossa* sp., & ant, *C. limata palens* nest in a cacao pod, 156

Carcass scavenging by *Taeniopoda reticulata* in Costa Rica, 175

Young Entomologists' Society, 191

Young, O.P., J.J. Hamm, 21
Rate of food passage & fecal production in *Calosoma sayi*
